The screenshot shows the SysTools BKF Repair - Demo application window. The title bar reads "SysTools BKF Repair - Demo". The interface includes a menu bar with "Actions" and "Help", and a toolbar with icons for "Load", "Extract", "Extract Selected", "Original", "Help", "Website", and "Exit". A search box is located on the right side of the toolbar. The main area is divided into three sections: "Explore" on the left showing a file tree with folders like "MICROSOFT", "Set:::0", "D", "Documents and Set", "Administrator", "Desktop", and files "amipro31" and "amipro32"; "File View" in the center displaying a table of files; and "View Content" at the bottom showing a promotional banner for "SysTools Windows Backup Recovery" software. The banner features an image of a BKF backup device and text including the price "\$ 89" and the description "Repair Corrupt BKF with Windows Backup Recovery Software".
